

March 21st, 2013

Dear Volunteer,

On behalf of Karate Canada, I would like to thank you for giving of your valuable time and assisting with the 2013 National Championships and always being there from dawn until dusk as a volunteer.

It was a very busy and productive few days with a very tight schedule. Our efforts paid off though as we supported more than 300 athletes, coaches and referees, with more positive messages about Karate in Canada!

It is only with the help of people and volunteers like yourself that Karate Canada is able to achieve new heights! I am humbled by your unwavering dedication and passion to our wonderful sport.

I can only express heartfelt gratitude and hope that you will continue to extend your valuable support at future events.

Once again, thanking you for your overwhelming contribution at the 2013 National Championships.

Sincerely,

A handwritten signature in black ink, appearing to read "Béchard", written over a large, stylized flourish.
